

## FALL 2025 PRODUCT CAPTIONS

### The Orlando Diaz-Azcuy Collection

Collection Universelle by Orlando Diaz-Azcuy for Baker explores the wide spectrum of styling from traditional to minimalist design, creating furniture that attracts attention in a variety of spaces and informs multiple environments. Drawing inspiration from universal culture—iconic artists, notable eras, one-of-a-kind destinations—the designer pairs distinctive forms and fine materials to create eclectic offerings with uniquely iconic pieces. Equally at home in both modern and traditional spaces, selections from the Collection Universelle elegantly push the boundaries of shape, form, and materiality.

BAA5256, Penthouse Side Table

The Penthouse Side Table is inspired by an icon of French modernism. It offers a strong, simple expression that pairs well with both traditional and contemporary pieces, sitting easily in a variety of environments.

Standard Finish: Obsidian

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5258, Tasmania Side Table

Unique and alluring, the Tasmania Side Table takes design cues from traditional African craftsmanship and the continent's long tradition of crafting fine furniture from natural materials.

Standard Finish: Obsidian

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5259, Water Lily Side Table

Like opening a kimono, the Water Lily Side Table reveals itself with an unexpectedly modern design. The table is lyrical and rich, with details that create an indelible impression in your space.

Standard Finish: Obsidian with Burnished Gold Leaf

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5260, Elite Side Table

Designer Orlando Diaz-Azcuy intended the Elite Side Table to present a paradox: what appears at first to be a complex design is actually elegantly simple. The table is crafted for a modern, artistic expression.

Standard Finish: Natural Bronze

BAA5261, Danzer Side Table

Lively and kinetic, the Danzer Side Table is a vision of forms in movement. The table evokes the immediate desire to touch and interact with its surfaces and experience it from a variety of angles.

Standard Finish: Matte Plaster

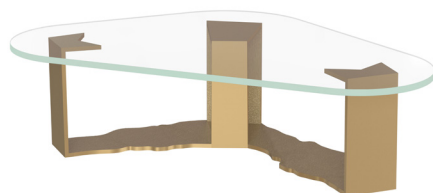

BAA5250, Peking Cocktail Table

Inspired by the design of classic Chinese altar tables, the Peking Cocktail Table reimagines the ornate look of a traditional piece with a thoughtful addition of a modern Grey Limestone top, elegantly intertwining the centuries together in a single unit.

Standard Finish: Obsidian with Grey Limestone

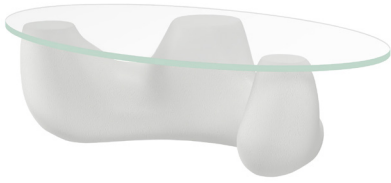

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5252, Niagara Cocktail Table

The Niagara Cocktail Table embodies the harmony of contrasts, seamlessly blending both rough and smooth elements within the design, creating a compelling piece with a variety of textures. Its surface evokes the dynamic beauty of a waterfall, bringing a sense of movement and energy to any space.

Standard Finish: Natural Bronze

#### BAA5254, Yumuri Cocktail Table

The Yumuri Cocktail Table is inspired by Cuba's charming Yumuri Valley, which features a high-walled canyon and river with mountains on the horizon. The table is beautifully sculptural, with shaping reminiscent of the natural world.

Standard Finish: Matte Plaster

#### BAA5263, Half Moon Console Table

The Half Moon Console Table is stunning and self-expressive, reimagining the classic demilune design, offering a striking blend of elegance and individuality. Its bold form serves as a statement piece, showcasing a creative take on timeless style.

Standard Finish: Pure White with French Black Marble

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

#### BAA5236, York Dining Table

Inspired by its namesake city in northeast England, the York Dining Table boasts the sophistication of London but with a more traditionalist bend. The design pairs familiar elements with more modern touches, with a focus on shape and form.

Standard Finish: Obsidian with Natural Bronze

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

#### BAA5240, Dauphine Side Chair

The Dauphine Side Chair captures the spirit of openness and possibility, much like a relaxing stroll through the streets of Paris. Elegantly inspired by French design, the lovely chair features refined details and rich finishes, making it a timeless addition to any space.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5241, Estate Arm Chair

The Estate Arm Chair is a bold piece with a commanding presence. Authoritative and striking, it anchors a room and effortlessly grounds any space with distinctive upholstery features.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5305C, Revelation Lounge Chair

The Revelation Lounge Chair is designed to inspire and surprise the viewer, with clever shaping that makes the piece both visually striking and eminently comfortable. Stationary base with available base options in a 180 degree or 360 degree swivel.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5300S, Smile Sofa

The Smile Sofa is friendly and welcoming, with a design that appears to evoke that feeling of a quiet smile. Its approachable style makes any space feel more familiar and comfortable.

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

BAA5302S-84, Contour 84" Sofa

The Contour 84" Sofa is designed with versatility in mind: its precise, yet simple, shaping allows the other elements in a room to take center stage and complement the sofa.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

BAA5302S-96, Contour 96" Sofa

As the luxuriously extended version of the traditional Contour 84" Sofa, the amply sized Contour 96" Sofa is designed with versatility in mind. Its understated design provides a perfect balance for allowing other elements in the room to take center stage while harmoniously complementing the sofa.

Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 4)

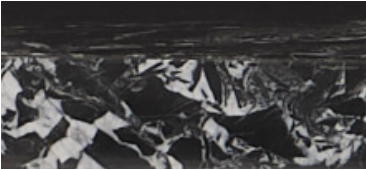

BAA5304S, Dream Sofa

The Dream Sofa is softly feminine and instantly iconic, bringing a measure of elegance and panache to every living space. With an exaggerated curvature this design embraces the room with a sculptural presence that feels both bold and inviting. High arms, bench seat and a gently sloped back offer an enveloping silhouette that balances comfort with statement-making style.

Optional Finishes: Finish Program (Tier 1, Tier 2, Tier 3 and Tier 4)

New Finishes:

French Black Marble

Grey Limestone
