

## SPRING 2026 PRODUCT CAPTIONS

### The Baker Jensen Collection

Introducing the Jensen Collection by Baker, an artful take on modern Scandinavian design that offers iconic, clean-lined silhouettes in refined materials. Each piece in the collection features warm, quartered figured walnut along with design touches that elevate the finished product: think delicately tapered legs, reeded edges and drawer fronts, elliptical hardware in brushed antique bronze, and substantial tabletops with geometric lines. Baker has reimagined functional style with comforting materials and clean lines that create a welcoming aura in any modern home.

BAA6862, Jensen Round Side Table

The highlight of the Jensen Round Side Table is its pairing of metal trim work with a boldly reeded edge. Clad in warm quartered walnut, its tabletop dazzles with a geometric wood pattern.

Standard Finish: Porter with Brushed Antique Bronze Accents  
Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 3)

BAA6861, Jensen Rectangle Side Table

The Jensen Rectangle Side Table is both minimalist and rich in detail, with angular tapered legs and a sleek tabletop adorned in quartered figured walnut. The reeding detail on the table edge draws the eye and sets a contemporary tone for this clean-lined selection.

Standard Finish: Porter with Brushed Antique Bronze Accents  
Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 3)

BAA6854, Jensen Round Cocktail Table

Designed to anchor any modern seating area or gathering space, the Jensen Round Cocktail Table complements your furniture with its minimalist and innately geometric design. A reeded edge surrounds a quartered walnut tabletop, while its tapered legs add a dash of Scandinavian style.

Standard Finish: Porter with Brushed Antique Bronze Accents  
Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 3)

#### BAA6853, Jensen Rectangle Cocktail Table

A modern expression of Scandinavian-inspired style, the Jensen Rectangle Cocktail Table is an artful combination of fine woodworking and sleek design. This low-profile piece is perfect as the anchor for a cocktail or conversation area.

Standard Finish: Porter with Brushed Antique Bronze Accents  
Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 3)

#### BAA6836, Jensen Round Dining Table

The Jensen Round Dining Table combines multiple dramatic design features in one piece: an eye-catching tabletop in quartered figured walnut, metal trim in brushed antique bronze, and a reeded apron rail that circles the entire table. This 60" table includes a 20" leaf to easily accommodate larger gatherings.

Standard Finish: Porter with Brushed Antique Bronze Accents  
Optional Finishes: Finish Program (Tier 1, Tier 2 and Tier 3)

#### BAA6835, Jensen Rectangle Dining Table

A showcase of craftsmanship and refined design, the Jensen Rectangle Dining Table captures attention with its geometric tabletop pattern in quartered figured walnut. This modern masterpiece boasts a versatile silhouette that can be paired with a wide range of seating options.
