SPRING 2025 PRODUCT CAPTIONS

The Baker Resort Collection® for McGuire - Outdoor

Inspired by the refined design, exceptional materials and iconic textures of luxury yachts, the Baker Resort Collection® for McGuire - Outdoor offers a vision of nautical-inspired living with clean lines and modern style. Classic teak, sailcloth white stone and durable upholstery interplay to create outdoor pieces with flowing silhouettes. Each piece carefully showcases the attention to detail and superior craftsmanship that built the McGuire legacy. Discover versatile, imaginative pieces that help design a personal haven for comfortable living, indoors and out.

MCO3660, Ketch Spot Table

Inspired by the clusters of teak pilings that dot the seaside, the Ketch Spot Table is an imaginative piece crafted in brown travertine. This sleek, organic accent table features brown travertine that works well with any seating arrangement.

Standard Finish: Brown Travertine

MCO3651, Sloop Bunching Table

The well-structured Sloop Bunching Table features a modern design in timeless, nautical-inspired materials. Vintage teak and durable sailcloth white stone come together to create a sharp, clean contrast in any space.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3656, Sloop Square Side Table

The Sloop Square Side Table is an accent piece with a strong yet elegant silhouette. Its sharp contrast of vintage teak and sailcloth white stone creates a clean and modern personality.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3657, Sloop Round Side Table

Like the sailing craft that inspired its name, the Sloop Round Side Table is small, yet eye-catching. Vintage teak lines interplay with durable sailcloth white stone to create a sharp, clean contrast and a modern vibe.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3658, Cutter Square Cocktail Table - Wood Top

The Cutter Square Cocktail Table – Wood Top is inspired by the design of classic boat motors, with each element purposefully and meticulously connected. Made from rich teak, its wood slatted top recalls the contrasting teak and holly deck of a traditional yacht.

Standard Finish: Natural Teak

MCO3664, Cutter Square Cocktail Table - Stone Top

Displaying the time-honored color of sailcloth, the Cutter Square Cocktail Table – Stone Top is both innovative and instantly familiar. Its white stone tabletop is paired with an intricately designed base inspired by ship construction.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3659, Cutter Round Cocktail Table - Wood Top

The Cutter Round Cocktail Table – Wood Top beckons with a beautiful slatted top, carefully designed to resemble the contrasting teak and holly deck of a traditional yacht. Its base is a conversation piece in itself, with an intricate construction that provides distinct views from each angle.

Standard Finish: Natural Teak

MCO3665, Cutter Round Cocktail Table - Stone Top

Made from this outdoor collection's iconic materials—strong teak wood and white stone—the Cutter Round Cocktail Table – Stone Top captures the spirit of modern, casual design. Its tabletop is crafted in a signature sailcloth tone inspired by nautical traditions.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3652, Sloop Square Cocktail Table

Crafted from vintage teak and durable sailcloth white stone, the Sloop Square Cocktail Table creates an instant gathering place for family and friends. This large table offers a sharp, clean look that will complement both modern and classic seating options.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3650, Sloop Rectangle Cocktail Table

Like a sailing vessel finding a comfortable place on the water's surface, the low-profile Sloop Rectangle Cocktail Table cuts a modern figure in vintage teak and sailcloth white stone. Designed for durability, this classic table will enhance every space for years to come.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3663, Sloop Console Table

Designed to anchor any indoor or outdoor living spaces, the Sloop Console Table is a unique and artistic piece that nods to classic nautical design. The teak slats on its lower shelf are inspired by the classic teak and holly floors seen on iconic sailing vessels.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3637, Cutter Square Dining Table - Wood Top

Inspired by the teak and holly deck on a classic yacht, the Cutter Square Dining Table - Wood Top captures the richness and warmth of life at sea. It pairs a teak slatted top with a base that is intricately and meticulously designed.

Standard Finish: Natural Teak

MCO3639, Cutter Square Dining Table - Stone Top

The Cutter Square Dining Table - Stone Top is inspired by yacht design, with an intricately crafted base and a durable stone tabletop surface. The top is made from sailcloth white stone, a signature material of the collection.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3653, Cutter Round Dining Table - Wood Top

The Cutter Round Dining Table – Wood Top feels both coastal and refined, with a tabletop inspired by the teak and holly deck of a luxury yacht. Crafted in teak, the table features a meticulously designed base that only Baker and McGuire could create.

Standard Finish: Natural Teak

MCO3655, Cutter Round Dining Table - Stone Top

Inspired by the color of sailcloth on a luxury yacht, the Cutter Round Dining Table – Stone Top offers a white stone tabletop as the setting for gatherings and daily meals. Its intricately designed base offers unique views from each and every angle.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3634, Cutter Rectangle Dining Table - Wood Top

The Cutter Rectangle Dining Table – Wood Top is inspired by the teak and holly deck on a classic yacht, featuring a rich teak slatted top in a timeless pattern. Its base is meticulously designed and handcrafted, like the work of traditional boat makers.

Standard Finish: Natural Teak

MCO3636, Cutter Rectangle Dining Table - Stone Top

As meticulously designed as the most finely crafted yacht, the Cutter Rectangle Dining Table – Stone Top features an intricate base and a tabletop in sailcloth white stone.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3632, Sloop Counter Height Table

The Schooner Counter Height Table pairs a sailcloth white stone top with vintage lines in teak, creating a bold, modern contrast that suits nearly any space. The table is designed to deliver both style and durability.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3633, Sloop Bar Height Table

The Sloop Bar Height Table offers both style and durability in a pairing of bold, classic materials. A sailcloth white stone top contrasts with vintage lines in teak, creating a modern silhouette that suits nearly any space.

Standard Finish: Natural Teak with Bianco Crema Dune

MCO3643, Schooner Side Chair

Inspired by the classic lines and gently flowing curves of a yacht at sea, the Schooner Side Chair offers an elegant bearing with modern style. Its comfortable upholstery is suited for both indoor and outdoor use, while its detailed back draws the eye with its attention to detail.

Standard Finish: Natural Teak

MCO3641, Schooner Arm Chair

Viewed from the side, the Schooner Arm Chair resembles the windblown sail of a finely handcrafted yacht. The chair features fluid curves and classic lines throughout, with upholstery that creates a quiet style and elegance that is suitable both indoors and outdoors.

Standard Finish: Natural Teak

MCO3648, Schooner Counter Stool

The Schooner Counter Stool is modern and detailed, with fluid lines and curves that recall the shape of a classic yacht. The stool is crafted in teak with comfortable upholstery for a look that shines both indoors and outdoors.

Standard Finish: Natural Teak

MCO3649, Schooner Barstool

The Schooner Barstool is the height of nautically-inspired design, featuring teak wood in a classic, gently flowing form. Whether the barstools are placed indoors or out, their comfortable upholstery and detailed back provide an elegant and modern look.

Standard Finish: Natural Teak

MCO3552C, Schooner Lounge Chair

Like its namesake, the Schooner Lounge Chair is composed of fluid curves and classic lines with an adventurous spirit. The chair is perfectly at home indoors or outdoors, with upholstery that provides added comfort in all environments. Pair it with the Schooner Ottoman or let the chair stand alone—its back design displays an unmatched attention to detail.

Standard Finish: Natural Teak

MCO3553C, Schooner Swivel Lounge Chair

Fluid curves and classic lines define the Schooner Swivel Lounge Chair, designed to mimic the shaping of its namesake sailing craft. The chair is perfectly at home indoors or outdoors, with upholstery and a swivel feature that provide added comfort in all environments. Pair it with the Schooner Ottoman or let the chair stand alone—its back design displays an unmatched attention to detail.

Standard Finish: Natural Teak

MCO3553CA, Schooner Armless Chair

The Schooner Armless Chair features fluid curves, classic lines and a detailed back design that draws attention in any space. Crafted in teak with comfortable upholstery, the chair is reminiscent of a finely handcrafted yacht and is intended for either indoor or outdoor use.

Standard Finish: Natural Teak

MCO3553CL, Schooner Left Arm Chair

The Schooner Left Arm Chair is classic and versatile, with the ability to accent your indoor or outdoor space. Fluid shaping and classic lines cascade like the overlapping sails of a large yacht.

Standard Finish: Natural Teak

MCO3553CR, Schooner Right Arm Chair

The Schooner Right Arm Chair is classic and versatile, with the ability to accent your indoor or outdoor space. Fluid shaping and classic lines cascade like the overlapping sails of a large yacht.

Standard Finish: Natural Teak

MCO3553CC, Schooner Corner Chair

With its fluid shaping and classic lines, the Schooner Corner Chair calls to mind the curves and overlapping sails of a large yacht. The chair is notable for its back view which shows off a special attention to detail. Modern style and comfortable upholstery invite a long, leisurely stay, indoors or outdoors.

Standard Finish: Natural Teak

MCO3553S, Schooner Sofa

The Schooner Sofa is inviting and comfortable in all environments, with fluid curves and classic lines that make a statement indoors or outdoors. This upholstered piece pairs well with other modern options or with the Schooner Ottoman.

Standard Finish: Natural Teak

MCO3555CS, Schooner Chaise Lounge

The Schooner Chaise Lounge offers a chic and modern design, with continuous curves and organic lines formed in teak. The lounge is ideal for reading, sunbathing or quiet daydreaming.

Standard Finish: Natural Teak

MCO3550B, Cutter Bench

The Cutter Bench is modern and nautical, with a form that recalls the clean lines of a luxury yacht. This versatile, stylish piece features a meticulously designed base that is as refined as the gears of a motor craft.

Standard Finish: Natural Teak

MCO3552O, Schooner Ottoman

The fluid curves and classic lines of the teak Schooner Ottoman are reminiscent of a finely handcrafted sailing yacht. Indoors or out, the upholstery gives added comfort in an elegant style, especially when paired with the Schooner Lounge Chair.

Standard Finish: Natural Teak

MCO3553O, Schooner Cocktail Ottoman

The broad, oversized form of the Schooner Cocktail Ottoman creates a host of options: utilize it as extra seating, as a cocktail table with the Schooner Tray, or as a traditional ottoman for hours of relaxation. Its rich upholstery offers the comfort and relaxation of a calming day on the water.

Standard Finish: Natural Teak

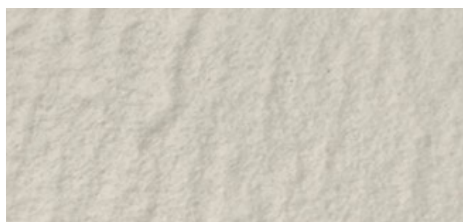

MCO3697, Schooner Tray

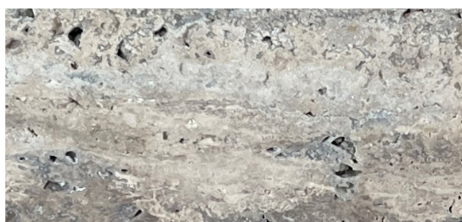

Inspired by the rich color and texture of a yacht's deck, the Schooner Tray stirs the imagination with its slatted top crafted in teak wood.

Standard Finish: Natural Teak

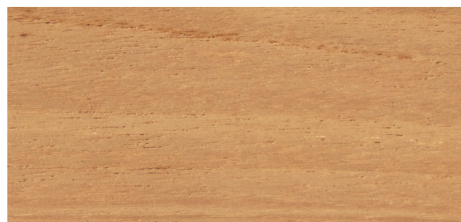

New Finishes:

Bianco Crema Dune

Brown Travertine

Natural Teak
